

VOLUNTEER VERIFICATION

Camp Harding (Anglican Diocese of Qu'Appelle) at Cypress Hills Provincial Park, endeavors to protect all those vulnerable in our midst. We have in place a Plan to Protect policy for our camping program. According to our Plan to Protect, a Criminal Record Check and Vulnerable Sector Check (which may include fingerprinting) is required for all volunteers. This is for the volunteer's protection and the protection of Camp Harding and its members.

If required for volunteer verification, please provide this form to your local RCMP so the fee for this check and random fingerprinting can be waived.

A volunteer verification is required for the following:

_____ (Print Name of Volunteer) _____ (Date)

Completed Criminal Record Check and Vulnerable Sector Check must be returned to the Diocesan Youth and Children's Missioner:
